

## Mundesley Youth and Community

Side by side beside the seaside

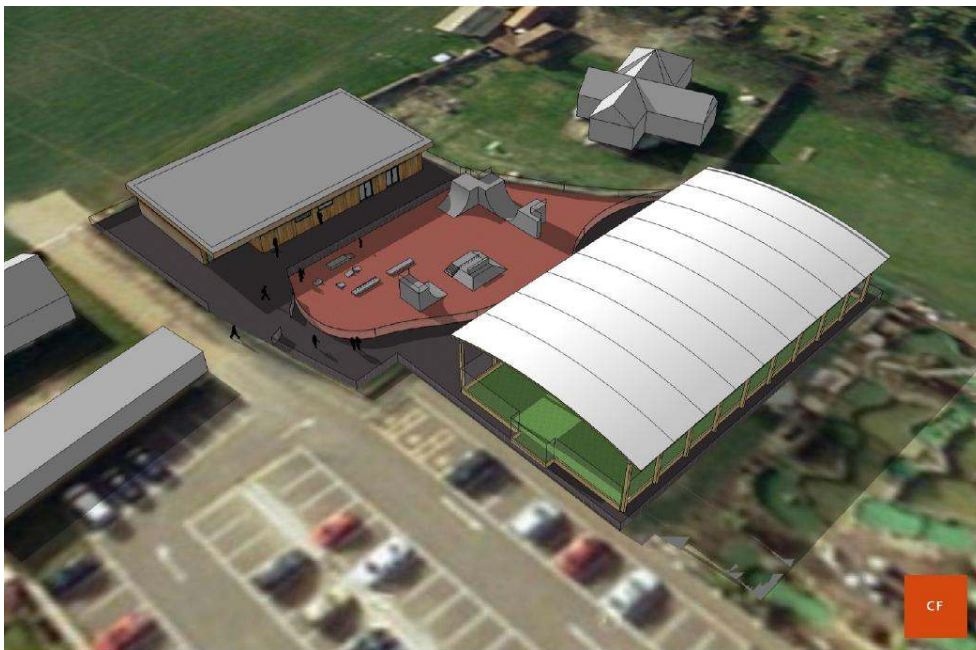

We have a vision to give our community the very best chances in life, to encourage a better, healthier, more social way of life, and you know what, together we can do it.

Plans have already been drawn up; we're just waiting for you to join in!

Mundesley is growing all the time, young and old and we need a new development to accommodate all of our different interests. Of course we have Coronation Hall and the church rooms, but they have commitments already. Plans have been drawn up by an architect to see how we can best use the space behind the Adventure Golf Centre for our community. We need an additional space **for everyone young and older**; somewhere we can meet and enjoy each other.

It is proposed that we will have **an indoor community centre** for clubs and groups to meet, **a skate park** to help the younger people to find somewhere fun and cool to be, and **a multiuse undercover games area**, so in all weathers sport is a **real option to all of Mundesley**. In addition we are going to **update the play area in Gold Park**. Sounds like a lot to do, you're so right! A steering group has already been formed made up of local people with various skills needed to push this plan along. Grants and sponsorships are being applied for, but as with the lifeboat station, **the whole community needs to put their shoulder to it and push hard!**

There will be a number of events during the year to help raise the money, and this is where you come in. There will be **an Easter egg hunt on 4<sup>th</sup> April Easter Sunday at 2.30pm** with cakes and refreshments, please come along and find out how much progress is being made.

We want to hear your **stories, recipes, yarns, pictures and sayings** anything which are from **Mundesley**, to put into a book which we can sell to raise money. Please put them on paper and pop them into the butchers or Howard Page or we can come and collect it if you prefer. Pop your details on there too. Perhaps you would like to cello tape a coin on it to help with the printing costs. The book will be launched at a **fantastic community village fayre on Saturday 26th June in Gold Park**, where you could bring your recipes cooked for all to try, perhaps telling a good yarn would be fun. We will have competitions e.g. best jam, best Victoria sponge, outstanding flower arrangement etc. **Would your club or company like to have a stall?** But for now please send in your bits for the book and **support this desperately needed project.**

Interested in helping or need your book contributions collected? **Facebook: "Mundesley Youth & Community"** Call: Julie Chance on 01263 833902 or send an email: [www.julie.chance@tiscali.co.uk](mailto:www.julie.chance@tiscali.co.uk) Why not log on to **"easyfundraising.org.uk"** you can shop at all of your normal sites and the retailers give us money!!!
